- CARLOTTA*. Rose-cerise with old gold reverse. Sept.
- CHAMPION*. A distinctive clear yellow of good size. Sept.—Oct.
- CHATTSWORTH*. Copper-bronze in one shade throughout. Aug.
- CONSTANCY*. Fine large cream white flowers of reflexing form.
- COPPELIA*. A startling shade of Indian red which does not fade.
- CREAM DUCHESS*. Cream shading to lemon yellow in the center of the bloom. Sept.
- DAYDREAM*. Beautiful pale salmon flowers. Sept.
- DELIA*. Medium shade of rose-pink and full reflexed flowers of immense size.
- DOROTHY SPEAT*. Superb shade of pink with golden salmon centers. Sept.
- DOROTHY VERNON*. Pinks — with good full flowers. Sept.
- EDENSOR*. Creamy white reflexing flower with extra firm pointed petals. Sept.

EMPIRE WHITE. A first class incurved white of great beauty and refinement. Sept.

EVANGELINE. Produces lovely large pink flowers in great profusion. Aug.—Sept.

FAIRMAID. Very large blush-pink. 7 inches across if disbudded. Sept.

FLORENCE HARWOOD. A bright rose with golden center overlaid with a suspicion of bronze. Sept.

FORWARD. A fine silvery pink with stiff petals and stems. Sept.

GIFT. Rose with yellow center.

GOLD STANDARD. A fine golden yellow of the incurve variety. Sept.

GOLDEN EAGLE. A light creamy yellow. Sept.

GOLDEN WEST. Semi-incurved, large flowers of old gold. Sept.

HADDON. An effective shade of salmon terracotta. Sept.

HAROLD PARK. Stylish incurving bloom of buttercup yellow. Sept.

HIGH COMMAND. Deep mahogany-red with gold reverse. Sept.

HOPE VALLEY. Pale mauve-pink. Early.

IMPERIAL. Fine large round blooms of golden yellow. Aug.—Sept.

JEANETTE. Burgundy flowers of medium size with nicely reflexed petals. Sept.

LAERETES. Deep glowing wine-red. Sept.—Oct.

LOVELACE. A bright medium sized prolific pink. Sept.

MADAME BUTTERFLY. White with an overlay of blush pink and creamy centers. Sept.

MARCELLE. A delicate shade of pink. Sept.

MARY ROSE. A new Mum which is old rose color throughout. Aug.—Sept.

MERRY DEW. Bright red-bronze with gold reverse.

MINSTREL. An intense crimson-maroon that blooms early.

MONSAL DALE. Creamy-pink reflexed flowers of large size.

MONSAL HEAD. Truly a fall color of bright orange. Sept.—Oct.

MRS. J. PHILLIPS. A deep purple incurve that is distinctive in its color class. Sept.

MRS. J. PEARSON. One of our earliest bronze mums. Sept.

ORANGE LOVELACE. Glistening orange sprays of medium sized blooms. Sept.

PERFECTION. Large creamy-white incurve. Aug.—Sept.

PRECOSE SUPREME. Outstanding purple. Very early.

PRESIDENT. Bright red flowers. Sept.

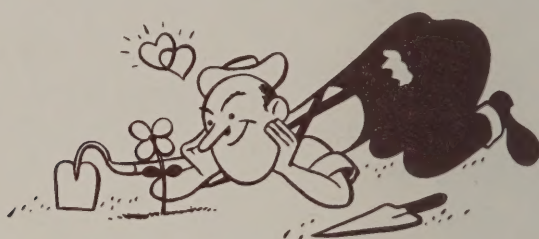

QUAKER MAID. Bronze-red marked with bright gold. Aug—Sept.

QUEENIE. A fine white Mum with yellow shadings. Sept.

RONALD. Rich plum crimson—an attractive new shade.

ROSE PRECOSE. This precose is low growing of rose pink. Aug.

RUBY. Nice large ruby red flowers. Sept.
SALMON LOVELACE. Bright salmon flowers of medium size. Early bloomer.
SALMON PRECOSE. A good salmon color. From July on.

VERNON. Pink with light yellow center. Sept.
VANGUARD. Deep crimson with gold reverse. Sept.
WHARF DALE BRONZE. Fine large slightly incurved bronze. Sept.
WHITE EAGLE. Shaggy cactus like blooms of white. Sept.
YELLOW BALL. A yellow bloom in the shape of a ball. Sept.
YELLOW WENDY. Charming yellow 'sport' of Wendy. Aug.
SEPTEMBER DAWN. Yellow.

SPOONS

The Spoon Chrysanthemums are very unusual and interesting. Each petal is a tiny hollow tube or quill that flattens out at the end into a tiny spoon. On some varieties the tube and spoon are the same color and in other varieties the tube is one color and the spoon another.

Each 35¢

12 for \$3.50

Postpaid if order amounts to \$5.00 or more.

APRICOT SPOON. Tubes of apricot bronze and spoons of apricot rose.
CLASSIC SPOON. Rose purple with silver tubes.
FUSCHIA SPOON. Excellent fuschia colored spoon.
GARNETT SPOON. Garnet spoons with reddish purple tubes. Oct.
MAGNETA SPOON. Spoon is rose and the tube is silvery white.
ORCHID SPOON. Lavender pink.
PUMPKIN SPOON. Persimmon orange aging to stafford yellow. Sept.
WHITE SPOON. Tiny yellow quills and little flattened spoons on the end of each quill.
YELLOW SPOON.

SPIDER MUMS

These are a very unusual type of chrysanthemum in that the end of each petal forms a fishhook tip at the end. They are very good for cut flowers and are especially good if disbudded.

Each 35¢ 12 for \$3.50

Postpaid if order is \$5.00 or more.

ANTIQUE. Copper bronze long stems. Good disbud variety. Sept.

BUTTERFLY. A large yellow with well defined fishhook tips.

CHUNKING. A deep champagne with shadings of crushed raspberry.

MRS. EISENHOWER. Golden bronze spider. Sept.

GEORGINA HEDINGER. A gorgeous fluorescent plume — may aptly be termed a symphony in pink.

NIGHTINGALE. Chartreuse green spider. Disbud. Sept.

PLUM. Large silvery lavender duplex spider.

CUSHIONS

A group of low-growing Mums, forming mounds of blooms reminding one of the old-fashioned Azalea. The plants grow from 12 to 18 inches high and have a spread of from 2 to 2½ feet. The flowers appear early in September and remain on the plants over a long period.

Each 35¢ 12 for \$3.50

Postpaid if order amounts to \$5.00 or more.

AMELIA CUSHION. A bright pink. Aug.—Sept.

DEFIANT. Rosy purple mound of flowers. Aug.—Sept.

EARLY JOAN HELEN. Violet colored Cushion with a yellow center.

ETERNAL SNOW. Early white. Aug.—Sept.

EDGAR A. GUEST. A new bronze red. Aug.—Sept.

EXETER. Another new Cushion of fluffy quilled yellow — very dwarf.

HEATHERBLOOM. Large strawberry pink. Aug.—Sept.

LADY JANE CLARK. A lovely lavender pink, very early. Aug.—Sept.

ORCHID HELEN. Orchid-pink flowers of unusual beauty. Early Sept.

QUEEN CUSHION. White. Aug.—Sept.

ROSE MOUND. Lavender rose button. Aug.—Sept.

SANTA CLAUS. Large red double blooms with red centers. Aug.—Sept.

SUNSET. A pretty tight yellow pompon on low bushes.

TECUMSEH. Color is erythrite red changing to buff bronze with pink shadings during hot weather. Aug.

YELLOW SUPREME. The best of the low-growing bright yellows.

RAYONNANTES

Price 35¢ Each

- BUFF RAYONNANTE.* A lovely buff flower with quilled petals. Disbud.
- PINK RAYONNANTE.* Orchid pink flowers of good size. Petals are tubular quilled, long and incurved.
- SALMON RAYONNANTE.* Rosy fawn-sport of Pink Rayonnante.
- WHITE RAYONNANTE.* Outstanding white sport from the Pink Rayonnante.
- YELLOW RAYONNANTE.* Same fine incurvey quilled type — yellow.

AMERICAN VARIETIES

The following Mums have been originated in this country by prominent growers and we offer them to you very highly recommended for their superior growth habits and their outstanding color array.
